N.B.

Tento seznam byl původně vypracován v angličtině a nebyl upraven pro české čtenáře. Použil jsem v něm anglickou transkripci jak ve jménech autorů knih, tak v názvech jejich děl. To proto, abych usnadnil hledání v knižních katalozích. (Tak například Böhm, über, článků, fløyte, håndverk jsem přepsal jako Boehm, ueber, clanku, floeyte, haandverk.)
